

Societat Catalana
de **BIOLOGIA**

SCB Patrons

This document describes the obligations and benefits to become a patron of the Catalan Society of Biology (SCB). The benefits for each Patron would depend on the annual fee, which will not exclude the Patrons to support specific activities of the SCB. Those could include their presence at the “Jornades” or the specific support for the “Nit de la Biologia” and its annual awards.

General benefits to the Patrons.

The Patrons will benefit from several advantages depending on the annual fee to the SCB:

Type of Patron	Annual Fee	Benefits
1. Friends of the SCB	From 250€	<ul style="list-style-type: none">- Your logo at the Web of the SCB as well as all general communication by the SCB.- Your logo at the SCB <i>Newsletter</i>.- Your logo at the course's opening conference as well as the general assembly (once a year).
